

FIDDLEHEAD MINING CORP.

RECEIVES WORKFORCE NB APPROVAL

***** FOR IMMEDIATE RELEASE *****

BATHURST, New Brunswick – (Friday, August 21st, 2020) Fiddlehead Mining Corp. ("FMC" or the "Company") is pleased to announce that it has been granted a special exemption from (Workforce NB) to enter the Province of New Brunswick and work on our Mining Projects without the Mandatory 14 day Quarantine for our Crew & Workforce.

The Province of New Brunswick considers Fiddlehead Mining Corp an essential service company & has approved our Company's Operational Covid 19 Plan as of July 23rd, 2020 to commence on August 2nd of this month. This approval allows our Crews to continue our essential exploration program.

It is considered difficult to acquire this exemption & this shows the support this mining sector receives in the Province of New Brunswick and shows exactly why it is considered the 4th best mining jurisdiction in the entire world (Frasier Institute).

"We are very honoured to be permitted to enter New Brunswick and operate as an Essential Services in the Mining & Exploration Sector. This allows Fiddlehead Mining to accelerate our work program and not lose a complete mining season. This is another example of our strategic partnership with the New Brunswick Dept of Energy & Mining (NB DEM) & the Province of New Brunswick support for the Mining community." **stated Patrick J Cruickshank, President & CEO.**
