RECEIVES WORKFORCE NB APPROVAL FOR 2021

***** FOR IMMEDIATE RELEASE *****

BATHURST, New Brunswick – (Wednesday, January 26th, 2021) Fiddlehead Mining Corp. ("FMC" or the "Company") is pleased to announce that it has been granted a special exemption from (Workforce NB) to enter the Province of New Brunswick and work on our Mining Projects without the Mandatory 14 day Quarantine for our Consultants, Crew & Workforce. This is the second year in a row we have been certified & approved during these very challenging times.

The Province of New Brunswick considers Fiddlehead Mining Corp an essential service company & has approved our Company's Operational Covid 19 Plan as of January 5th, 2021, effective date of January 8th, 2021.. This approval allows our Crew Members and Consultants from outside the Atlantic Bubble to enter NB and continue our essential exploration program without the Mandatory 14 Day Quarantine.

This is another clear example of the continued support the mining sector receives in the Province of New Brunswick and shows exactly why it is considered the 4th best mining jurisdiction in the entire world (Frasier Institute).

"We are very thankful to be permitted to enter New Brunswick and operate as an Essential Services Company in the Mining & Exploration Sector during these unprecedented & challenging times. This allows Fiddlehead Mining to accelerate our work program in a safe manner for our organization & the community. We will do all we can to provide a safe environment for New Brunswick and our industry workers. This is another example of our strategic partnership with the New Brunswick Dept of Energy & Mining (NB DEM) & the Province of New Brunswick's support for the Exploration & Mining community." **stated Patrick J Cruickshank, President & CEO.**

We look forward to our next News Release.
